PRINCIPAL'S MESSAGE

As the events of time, unfold may you look back to your school days with pride and happiness and toward the future with hope and determination.

The school serves you as a guide toward success, but the responsibility of your success or failure in life must ultimately rest with you.

As time goes by, gather the tools and build for yourself an honorable, self-sufficient, and happy life.

Thank you for a very enjoyable and inspiring year.

PRINCIPAL'S MESSAGE

As each of you look back over the year just completed, it is my sincere wish that you will feel a sense of accomplishment in your scholastic endeavors.

Remember that without ideals, without effort, and without scholarship, there is no education.

As you eventually leave elementary school, I hope you will remember these years as great stepping stones to life. Education never ends.
